

Dear Service men and women of the American Legion Outpost 598,

I am writing to express my sincere gratitude at being able to participate in such a fantastic program as Buckeye Boys State. The lessons I learned there on responsible citizenship and the role of government will stay with me for the rest of my life. Besides the knowledge I gained, I also made friendships that I hope will continue well into the future. Such a great experience wouldn't be possible without your dedication and support, and for that I am extremely grateful. It truly was "a week to shape a lifetime".

Sincerely,
